

PRIVACY POLICY

This page describes how to manage the site in relation to the processing of personal data of users who consult it. This statement is produced pursuant to Art. 13 of GDPR 679/2016 for those users who interact with the web services of **AUTOMA S.R.L.**, accessible by internet starting from the page <http://www.byautoma.com/>, corresponding to the homepage of the website. This statement only concerns the **AUTOMA S.R.L.** website and not other websites that the user may consult through the use of links.

The information is based on Recommendation 2 / 2001 that the European authorities for the protection of personal data gathered by the Group established by 'art. 29 of Directive 95/46/EC, adopted on 17 May 2001 to establish minimum requirements for collecting personal data on-line and, in particular, the manner, timing and nature of the information that data controllers must provide users when they connect to web pages, regardless of the purpose of the link.

The data controller

Following consultation of this site, data relating to identified or identifiable persons may be processed. The "owner" of their processing is **AUTOMA S.R.L.**, with registered office in Via Casine di Paterno 122/A 60131 Ancona (AN).

Place of data processing

The processing operations connected to the web services of this site take place at the above-mentioned offices of **AUTOMA S.R.L.** and are carried out only by technical personnel of the Department in charge of processing, or by persons in charge of occasional maintenance operations.

No data deriving from the web service is communicated or disseminated. The personal data provided by users who request dispatch of informative material, or for the publication of ads are used only to perform the service or provision requested and are communicated to third parties only where this is necessary for that purpose.

Types of data processed

Navigation data

The computer systems and software procedures used to operate this website acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols.

This information is not collected to be associated with identified interested parties, but by its very nature could, through processing and association with data held by third parties, allow users to be identified.

This category of data includes IP addresses or the domain names of the computers used by users who connect to the site, the URI (Uniform Resource Identifier) addresses of the resources requested, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (successful, error, etc.) and other parameters relating to the user's operating system and computer environment.

These data are used only to obtain anonymous statistical information on the use of the site and to check its correct functioning and are deleted immediately after processing. The data could be used to ascertain responsibility in the event of hypothetical computer crimes to the detriment of the site: except for this possibility, at present the data on web contacts do not persist for more than three days.

Data voluntarily provided by the user

The optional, explicit and voluntary sending of electronic mail to the addresses indicated on this site, entails the subsequent acquisition of the sender's address, which is necessary to respond to requests, as well as any other personal data included in the message.

Specific summary information will be progressively reported or displayed on the pages of the site set up for particular services on request.

Optional supply of data

Apart from that specified for navigation data, the user is free to provide personal data contained in the request forms of **AUTOMA S.R.L.** or indicated in the contact session. Failure to provide them may make it impossible to obtain what has been requested.

Please note that the Form is not intended for visitors under 16 years of age or who are not of legal age in their jurisdiction of residence. If you do not meet the specified age requirements, do not enter your personal data in the Form.

Processing methods

Personal data are processed by automated tools and on paper for the time strictly necessary to achieve the purposes for which they were collected.

Specific security measures are observed to prevent the loss of data, unlawful or incorrect use and unauthorised access, which are better specified in the Processing Register.

Rights of the interested parties

The subjects to whom the personal data refer have the right at any time to obtain access, rectify, cancel, restrict, oppose the processing as well as the possibility to revoke consent at any time without affecting the lawfulness of the processing and to lodge a complaint with the Authority in accordance with the provisions of Articles 15 to 22 of the GDPR 679/2016, by addressing the relevant request to the Data Controller.

Requests should be addressed to **AUTOMA S.R.L.** with registered office in Via Casine di Paterno 122/A 60131 Ancona (AN).
